

Assassinated Presidents

Four American presidents have been killed while in office. Some were killed by men who were unhappy about the way the president was running the country. One was even killed merely because he refused to give the man a job. Listed below are the presidents who were assassinated in office and the men who killed them. Use their last names to fill-in the puzzle below.

- Abraham _____ was assassinated on April 15, 1865, by John Wilkes _____ while watching a play with his wife at Ford's Theater.
